What is the Dragonary? It might be a place or, maybe, a littler corner in your heart, one that is inhabited by dragons. As many dragons as might fit into your imagination. Maybe the Dragonary is just a book or it is all that and even more. However, it will be better if you get in and give it a glance, you just need curiosity. Do you have it? Then, welcome to the Dragonary! A wonderful book in which you will find information and anecdotes about different dragons that live in our world.

On a warm day in May, Alice and her cat rest under the shade of a tree. Alice falls asleep and dreams that she is a cat. This is the beginning of a wonderful adventure in which our protagonist, guided by her curiosity, travels across a land full of charming characters and fabulous landscapes, where she will finally find herself. Based on the novel "Alice's adventures in Wonderland" by Lewis Carroll and the Taoist parable of Chuang Tzu "The butterfly dream" this story seeks to provide a new look from a philosophical point of view to this classic of literature.

"Where are you from?" It was a hard question to answer. The protagonist of this book has lived in many places. Her nomad lifestyle has made her confused on many occasions, especially when she has wondered about her roots. However, in time, she will realize that each place has contributed in a way to form her character and her life. At the end of the book, this girl, now a woman, knows how to answer the hard question asked above.

"This is Honorato. And yes, it is a cat. Funny and fat. And this is his story". This book is different. It's different for its humor, for its rhythm, for its vocabulary and musicality and for its illustrations. It tells the story, in verse and with hilarious humor, of a cat named Honorato who loves to eat... all day. His roommates, Torcuato and Viriato, advise him to stop eating that much... and he will end up paying attention to them. Or maybe not?
